**DECLARATION**

As a below-named inventor, I hereby declare the following:

1. I am a United States citizen, and my current residence and mailing address are as stated below under my name.
2. I believe that I am the original, first, and sole inventor (if only one name is listed below) or an original, first, and joint inventor (if more than one name is listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled as captioned above, and the specification of which is filed herewith, along with any Preliminary Amendment filed herewith. I hereby state that I have reviewed and understand the contents of the above-identified specification as amended by any Preliminary Amendment filed herewith, including the claims.
3. I acknowledge the duty to disclose information which is material to patentability as defined in 37 C.F.R. §1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.
4. I hereby claim the benefit of the following U.S. applications:
  - Serial no. 09/784,469, filed February 16, 2001;
  - Serial no. 09/245,183, filed February 5, 1999, now U.S. Patent No. 6,263,351;
  - Serial no. 09/014,669, filed January 28, 1998, now U.S. Patent No. 5,870,770;
  - Serial no. 08/487,925, filed June 7, 1995, now abandoned.
5. I hereby declare that all statements made herein of my own knowledge and belief are true and that all statements made upon information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
